Re: *United States v. James Marquez*
7:06-cr-01138 (CM)

Dear Judge McMahon:

We are counsel for defendant James G. Marquez in this matter.

I am writing to request that the Court modify Mr. Marquez's bail conditions to permit him to travel to Little Rock, Arkansas during the period February 6, 2007 through and including February 9, 2007. Mr. Marquez has been asked to testify as a witness in the case of *Thermoenergy Corporation v. Carl H. Sangree*, CV 06-9833 (TF), currently pending in the Circuit Court of Pulaski County, Arkansas, Sixth Judicial District, as a related third party action to the case of *Rock Capital, LLC v. Thermoenergy Corporation, et al.* (same docket number).

Mr. Marquez's current bail conditions provide that his travel is restricted to the states of New York, New Jersey and the six New England states. Mr. Marquez has surrendered his passport.

I have spoken with Assistant United States Attorney Margery Feinzig who is in charge of this prosecution, and she has no objection to this request.

Respectfully submitted,

Doreen Klein (DK-4982)
